

# Summer 2010 GBU Application

Interested in deepening your relationship with God through challenging discussion and getting your hands dirty? GBU is a two tier program that will intentionally challenge you to think beyond yourself to the world around you. If you are going into grade 10 in fall of '10, the LITE (Leader in Training Experience) track will take you through what it truly means to serve. Through doing duties that are essential to camp functioning, you will learn what it means to work as a team, build relationships and grow in your faith at the same time. As a SLUG (Servant Leader Under God), those students entering grade 11 in fall of '10 will discover the fundamentals of leadership in a camp setting. Interacting with campers will encourage you to place others before yourself as you clear plates and serve beverages to campers throughout meals. You will also have the chance to see what it's like to step into a cabin leader role by participating in cabin devotions and wide games through the week.
